Medicine**

What is Piles ?

In the condition of piles, the nerves near the point of excretion swell causing warts of the size of a pea, grape or even bigger size. They cause severe pain and sometimes bleed too.

Reason : Oily and spicy food, prolonged constipation, use of strong laxatives, continuous sitting, low physical activity, Horse / Camel ride etc.

Remedy : According to the severity of piles, take 1-2 tablets of **Arshomrit** with water twice a day or as per physician's prescription.

Avoid oily and citrus food, jaggery, tea-coffee, spices. Prefer green and fibrous vegetables.

Prevent Constipation : Take **Anju Sugam Churna** regularly.

Dosage : 1-2 tablets with water twice a day or as prescribed by physician.
