1. What are the academic entry requirements?

Ans:- There are no compulsory requirements. If however, you have no formal qualifications do not be put off as some of our best students have been in the same position.

2. Do I need to be able to play a musical instrument?

Ans:- No. It possibly helps to be musical, but is by no means essential.

3. What is the average age and typical background of your students?

Ans:- Music is for everyone. Students from all ages and backgrounds can enroll for our courses. Some have absolutely no previous experience while others have already been employed as DJs. People choose to get train with us for variety of reasons, including kick-starting, consolidating or changing their career.

4. Is the fee refundable Or transferable?

Ans:- Students are entitled to a full refund as long as the cancellation is made at least ten days before the course is due to start. No refunds & transfer can be made if cancellations are made within seven days of the start of the course or once the course has commenced.

5. Do you give certificate after completion of the course?

Ans:- Yes, we give Certificate after the successful completion of the course.

6. What is the duration of the course?

Ans:- Each course is designed, keeping in mind the maximum time that can be required by any individual and this duration does not include the time spent for practice and thus it totally depends on individual's capability to grasp and perform.

7. Do I need my own equipment to take the course?

Ans:- No, you don't need to buy equipment for the course DJING HUB offers dedicated practice times where students are allowed to use our equipment. However, practice is key to all our courses, and if you plan on continuing these pursuits, we recommend purchasing the necessary software or equipment.

8. Can I begin working as a DJ immediately after I finish the course?

Ans:- Yes, you can begin working as a DJ immediately after you finish the course, we do give you opportunities to play and assist at the gigs as it totally depends on you and your passion for music.

9. I have experience. Do I need to start at Basic Level ?

Ans:- We strongly recommend that all students build a solid foundation in both Djing and Music Production beginning with concepts introduced in Level 1. However, we can arrange instructor evaluations for enrollment in higher levels upon request.

10. Will you get me a job after I finish?

Ans:- DJING HUB is a school for personal enrichment, not a vocational institute so we do NOT offer job placement after your program. Our instructor's help you discover and fine tune your creative vision, mentoring you to grow as an artist. Students are also encouraged to collaborate, network, and take advantage of DJING HUB'S growing community.

Testimonials

Shivangan Tiwari

DJING HUB completely changed the way that I mix songs. I knew how to DJ before but didn't had directions or knew what I needed to know to take it to the next level. I loved learning how to mix through different genres. Loved their curriculum and instructors, I highly recommend everyone to join Djing hub.

Shruti Risodkar

Since the first Moment I came to DJING HUB I was met with nothing but Energy and Enthusiasm. The Faculty at this Institution are Top Rated. They all want their Students to do well. This Academy has so many Opportunities for the Students to get the help they need... Faculty helped me beyond words I can Say. This Academy keeps the Student first. You will not be let down. I really believe it is a Privilege to come to this Academy and I am so glad I made that Decision.

Ankur Arora

Joining DJING HUB was the Best Decision I ever took. I loved having one on one attention from the faculty and felt more comfortable to clear my Doubts. I gained the experience and confidence that I needed.
